Has the person riding ever suffered a serious injury or any discomfort while riding or been advised not to ride?

NO

YES (please give details)

- Horse riding is a recreational sport activity and there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. All horses may react unpredictably on occasions and related injuries can be severe requiring hospital stays and resulting in lasting residual effects. Serious injury may result from your participation in this activity. Ruislip park stables do not guarantee your safety.
- Upon mounting the horse and taking up the reins the rider is in primary control of the horse. The rider's safety largely depends upon his/her ability to carry out simple instructions, and his/her ability to remain balanced aboard the moving animal. The rider shall be responsible for his/her own safety.
- I may fall off and could be injured. I accept that risk.
- I understand that instructions are given for my safety and agree to follow instructions given to me by the ride leader and follow the route the ride leader takes unless instructed to do otherwise. You must also ride at the pace set by the ride leader at all times and NEVER OVERTAKE THE RIDE LEADER.
- I understand that wearing an appropriate riding hat, body protector and heeled boots may reduce the severity of an injury should an accident happen and agree that I will always wear a riding hat whilst riding. I understand it is my choice whether or not I wear a body protector and take responsibility for my choice of footwear.
- I understand Ruislip Park Stables holds no responsibility for any riding hats or equipment loaned from the Stables and strongly advise you purchase your own to ensure correct fit and safety.

- I shall not bring any claims, demands or legal actions against Ruislip Park Stables and its associates for any economic and uneconomic losses due to bodily injury, death or property damage sustained by me and/or my minor child in relation to the premises and operations of Ruislip Park Stables while riding, handling, or otherwise being near horses owned by or in the care, custody and control of Ruislip Park Stables, whether on or off the premises of Ruislip Park Stables. Furthermore, I understand Ruislip Park Stables may pursue me for damages/losses that arise (e.g. vets bills) as a result of my careless riding.

I confirm that I have read and do fully understand the foregoing agreement, warnings and assumption of risk. I confirm the information I have provided is correct and accept that I ride entirely at my own risk.
